

WILMORE ANGLICAN CHURCH

LIFE Groups

Living the Generous Order of the Church Year together
Integrated through multiple generations and seasons
Faith and Fellowship are the heart of our life groups
Easily Accessible for all - old & new to our church and our faith

Goal: Intergenerational groups of singles, couples and families* that help us grow in our relationships with God and others through shared fellowship, reflection on scripture and prayer.

* Teens welcomed! Each group will decide about (and provide) childcare for younger children as is needed

Size: Everyone is invited (ideal group size of 10 - 15 people)

Commitment Level: Although these are not “accountability” or covenant groups, we do encourage regular commitment that enables relationships to truly form and grow. There are breaks throughout the year (see below) allowing for new entry into the groups or, if necessary, for seasons of stepping away. These are community groups that serve as a great first step into the corporate body life of WAC, as well as simple biblical discipleship ordered around our Lectionary Year.

Frequency: Every week

Seasons: Each LIFE group meets during the school year, breaking for Advent & Christmas; returning in Epiphany & then breaking during the summer.

Meeting Format: 90 Minutes

- a. **Opening:** singing, greeting, fellowship, and/or light refreshments
- b. **Orientation:** remembering the season of the Church Year we are currently in & the discipleship available to us in embracing the leadership of the Lectionary scriptural cycle.
- c. **Response; Discussion/Reflection:** discussion regarding lectionary readings & Homily reflections from previous Sunday
- d. **Response; Prayer:** wrap-up and prayer in response to discussion within the order of evening **Compline**.

* **Outreach component!** We invite each Life Group to intentionally look for service/outreach opportunities - at least once, if not more. WAC can help with opportunities/ideas, but it's quite likely that within your group there will be more than one person who knows of a meaningful opportunity/need for service or outreach!

Group options for 2026-2027 school year:
